

Information for Chinese Agents

BASINGSTOKE
COLLEGE of
TECHNOLOGY

Basingstoke College of Technology (BCoT) welcomes applications from Chinese learners wishing to develop their knowledge and expertise in the English language and to prepare for study at a UK university.

Learners at BCoT benefit from excellent courses, high teaching standards and the opportunity to meet new friends. BCoT has over 50 years of academic success and provides an inspiring environment in which to learn.

The College has Tier 4 Highly Trusted Status and is committed to ensuring that all international applications and admissions are conducted in accordance with UK Border Agency rules.

Basingstoke College of Technology is happy to accept applications for places on its UK courses that have been arranged through agents operating overseas. Chinese learners applying to study in the UK will be invited to undertake video conferencing credibility interviews as part of the application process.

The College will work with agents that have been approved by The British Council and it expects agents to operate in accordance with its good practice guide, published here: http://www.britishcouncil.org/guide_to_good_practice_for_education_agents.pdf

The College's fees for International students on full-time courses are: University level courses £5,800 pa

Courses will last three years; the first two years will be spent studying at BCoT, the final year at a university such as Southampton Solent. Fees include all tuition, registration, examination and language training. Not included are travel, accommodation, and costs for living, books, personal equipment, educational trips and visits.

Commission: The College will pay agents commission at 20% of the international fee.

Entry requirements:

To study at BCoT, students applying for Level 3 courses must have attained English Language Skills at IELTS Level 5.5 or equivalent, and for higher level courses an IELTS score of at least 6.5 is needed. The College requires evidence of attainment and test results must be stamped by the organisation that officially administered the tests.

All enquiries should initially be to our International Admissions Office by e-mail: admissions@bcot.ac.uk. More information for international learners can be found at: <http://www.bcot.ac.uk/courses/international/>
